the YORhub
4 Good Fund

The 4 Good Fund provides community groups with cash or free labour/materials for local social and economic regeneration projects

Making a difference

What is the YORhub 4 Good Fund?

The 4 Good Fund has been created by YORhub to support small scale projects benefiting local communities within the Yorkshire and Humber region. It is funded through contributions of cash or benefit in kind from the contractors appointed to the YORbuild2 and YORcivil frameworks.

Funding criteria

Projects must be:

1. located within the Yorkshire and Humber region and align with one or more of the following YORhub key themes:
 - Economic Regeneration
 - Employment and Skills
 - Sustainability
 - Supply Chain Engagement
2. sponsored by a user, or a contractor appointed to either the YORbuild2 or YORcivil frameworks. Organisations which are able to sponsor applications to the YORhub 4 Good fund are listed within the Application Guidance Notes.

Grants will only be awarded when there are sufficient funds/resources available within the fund.

How can our community group apply?
